PART II. HOW FORM 2 IS USED IN THE FINAL DEFENSE PROCESS

Form 2 is the gate between a finished draft and a scheduled final defense. Your group opens it as soon as the manuscript draft (Form 1) and the system release candidate are ready, and keeps it updated until the Faculty-in-Charge (FIC) signs the clearance in Part IV. No Final Defense Form (Form 4) is processed without a cleared Form 2 attached to it.

Figure 1 on the next page shows each step. Each step has its own color, and the sections of the checklist in Part III carry the color of the step in which they are verified. Boxes with a FORM 2 tag are the points where this form is filled in, initialed, or signed. Table 1 summarizes who does what on the form at each of those points.

Table 1. *Form 2 touchpoints*

Step	Who	What is done on Form 2	Part of Form 2
Step 1	Proponents	Tick the Self-check column for every item you have completed and attach the evidence named in each row.	Part III, all sections
Step 2	Content Adviser	Mark each item in Section A as Complied or Not Yet and initial, alongside signing Form 3A.	Part III, Section A; Part IV
Step 3	Programming Adviser	Mark each item in Sections B and C as Complied or Not Yet and initial, alongside signing Form 3B.	Part III, Sections B and C; Part IV
Step 4	Proponents	Complete Section E after the mock defense and record the actions taken on its recommendations.	Part III, Section E
Step 5	Faculty-in-Charge (FIC)	Verify Sections D and E and the advisers' marks, then sign Cleared or list the deficiencies for resubmission.	Part III, Sections D and E; Part IV

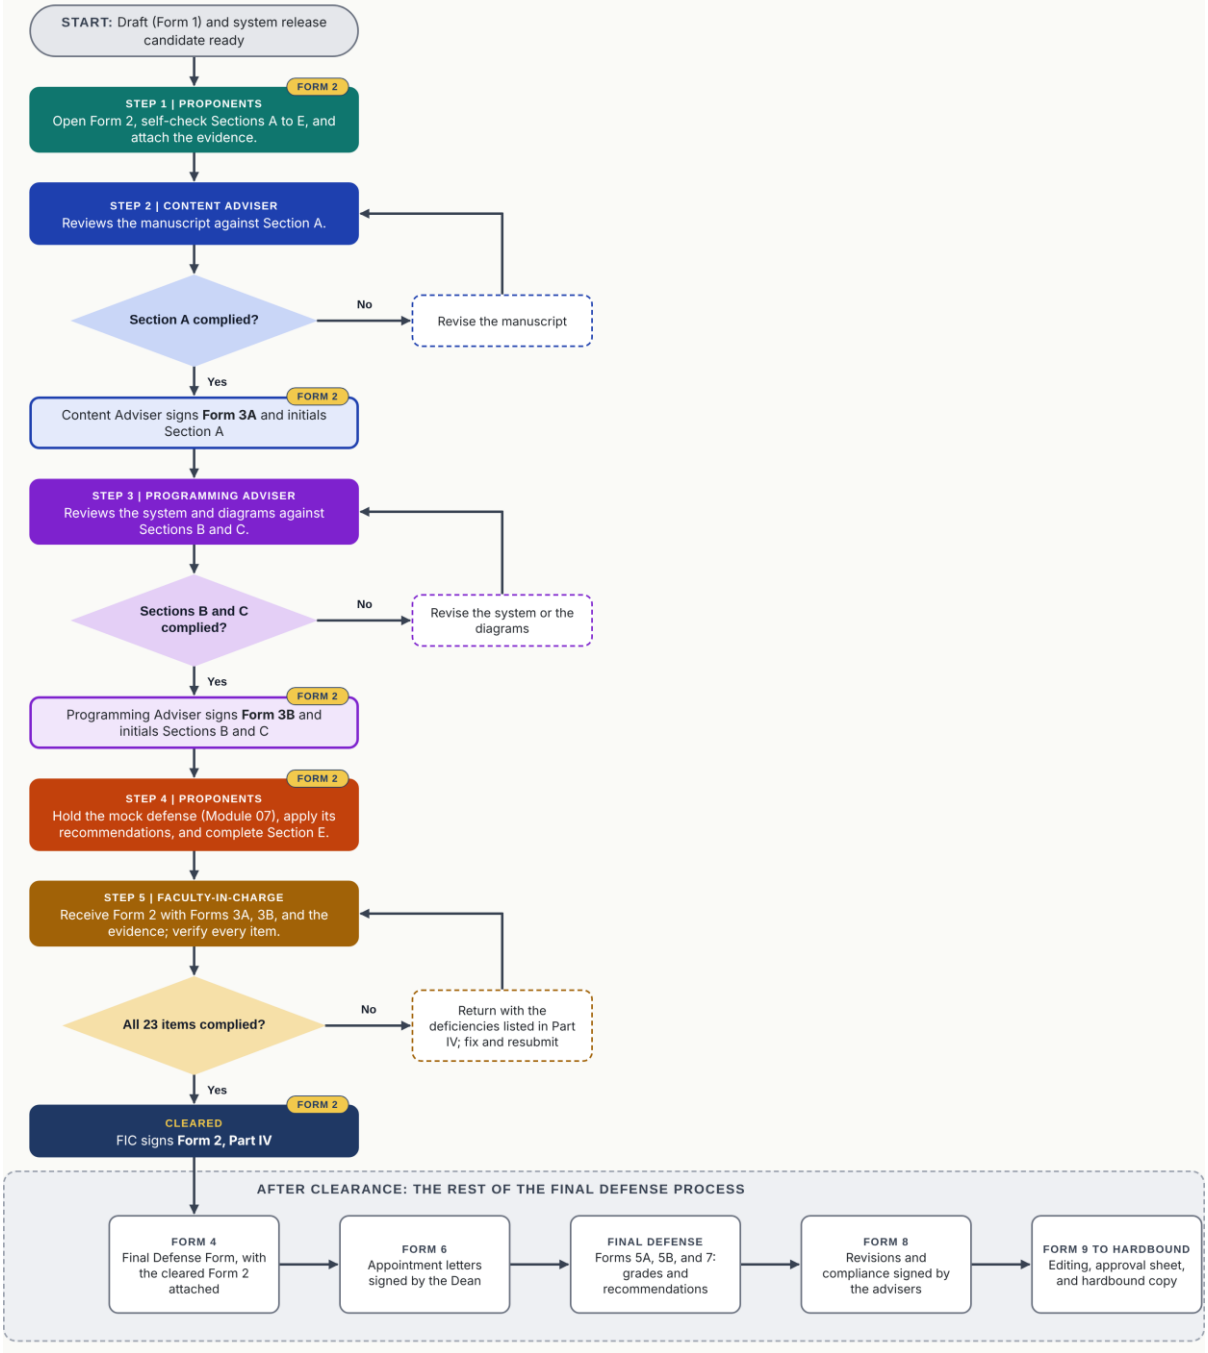

Figure 1. *Use of Form 2 along the Final Defense Process. Colors identify the step: teal, Step 1 (proponents); blue, Step 2 (Content Adviser); purple, Step 3 (Programming Adviser); orange, Step 4 (mock defense); gold, Step 5 (Faculty-in-Charge); navy, cleared. FORM 2 tags mark where the form is filled in, initialed, or signed. Dashed boxes are revise-and-resubmit loops.*

PART III. CLEARANCE CHECKLIST

Proponents tick the Self-check box only when the requirement is fully done and its evidence is attached. Verifiers mark each item Complied or Not yet. Abbreviations: CA, Content Adviser; PA, Programming Adviser; FIC, Faculty-in-Charge.
